

SRVEF presents the 2nd Annual Read-A-Thon

The **San Ramon Valley Education Foundation** proudly hosts our second annual **Read-A-Thon**. Our mission is to support education while raising funds in our community in partnership with the San Ramon Valley Unified School District. **Read with SRVEF** is designed for our children to improve their reading skills by reading more frequently, trying different types of

books, and having a blast in the process! Reading is fundamental in education and by increasing their enthusiasm to read, they will become more engaged in the learning process, thus increasing their performance in other areas of education as well. **Read with SRVEF will kick off in February 2011 and will end on Read Across America Day, March 2nd 2011.**
